W. C. T. U.

The W. C. T. U. of Highland county held their semi-annual convention at Leesburg in the M. E. Church, Thursday Oct. 19th. The County President, Mrs. Arthur, was present throughout the day. Every Union in the county was represented. The morning, afternoon and evening sessions were well attended. The Convention opened with scripture reading by Mrs. Story, followed by prayer and praise service. This occupied the first hour and prepared all hearts for the business session that followed. The reports of the secretaries of each Union were very interesting. Most of the superintendents of the different departments made full reports. Stirring resolutions were adopted. Rev. Sellers made the noonday prayer. In the afternoon Mrs. Dr. Pearne read the scripture lesson and gave a very interesting talk to both old and young.

The address of welcome was given by Mrs. Hough. The rest of the afternoon was devoted to short speeches, select reading, music and the question drawer. These questions were all ably answered by Miss Moore of Springfield.

Miss Moore also addressed a large audience in the evening. In this brief report we must omit many points of interest, but can report the convention a success and we believe much good has been done.

Mrs. Elizabeth Frump, wife of Daniel L. Frump, died Oct. 13th, 1893. She was born June 6th, 1852, aged 41 years, 4 months and 7 days. She was the daughter of Nelson T. and Mary Hiser, was united in marriage to Daniel L. Frump Nov. 28th, 1877. The deceased was a woman of whom too much can not be said, her character being above reproach. She was esteemed by all who knew her. Although it is hard to part with a friend so kind and true, we feel that our loss is her eternal gain. Her suffering was intense but she bore it all without complaint, putting her trust in Him who "doeth all things for the best." A few days before her death she requested her friends not to mourn after her for her suffering would soon be over and she would soon be at rest where sickness and death never come. She leaves a husband and daughter, father, two brothers, one sister, a number of relatives and a large circle of friends to mourn her loss. After funeral services conducted by Rev. Spurrier of the M. E. Church her remains were interred in the Piquah cemetery.

Farewell, farewell, thou hast left us,
From thy earthly home below.
But thy spirit has fled to God who gave it,
And thou art no more upon earth we know.
But at last up with the angels to heaven,
Where the old ring of death never comes.

RAINSBORO.

October 30, 1893.

Branson Rhoads has returned from Missouri where he has been spending the summer.

J. L. Gossett and Miss Mamie Gossett visited friends at Coopersville Saturday and Sunday.

The McKinley meeting at Hillsboro last Wednesday was largely attended by the citizens of this vicinity.

Misses Lee and Verna Shaw, of Sugar-tree Ridge, and James Rhoades, of Winchester, were guests of the Misses Eakins Saturday and Sunday.

J. I. Taggart and wife are at Sabina attending the Ministerial Association of the Hillsboro district.

Mrs. Lucy Bailey, wife of Rev. H. W. Bailey, has been deeply afflicted for a few days.

Mr. and Mrs. Henry Eakins' daughters planned and carried into execution a pleasant and enjoyable surprise for them last Friday, that being the thirty-fourth anniversary of their marriage. A jolly crowd, a big dinner and a good time socially are among the things that will be remembered by those that were present.

J. T. Sutton, Vice Chancellor of Ohio, had charge of dedicatory services of the K. of P. Hall here last Tuesday, and in that and all other services rendered while here demonstrated the fact that his order had made no mistake in the honors conferred upon him. Milton Lucas presided at the public entertainment that followed the dedication. Mr. J. T. Sutton and George L. Garrett both made interesting speeches. Henry L. Wiggins, H. W. Roads, Samuel Patton and Joseph Elton were called and each responded with short speeches. Excellent music was furnished by the Danversville brass band and the Rainsboro choir which added greatly to the pleasure and enjoyment of the occasion. The day was bright, the audience large and everybody seemed happy. The K. of P. have reason to be proud of their splendid hall. They have a large growing membership largely made up of a class of men that would be an honor to any institution.

The Farmers' Institute will hold their next meeting at the new hall one week from next Saturday, at 2 p. m. sun time. Competent men have been secured to lead in discussions that will be of interest to farmers and others as well. A lady has also been invited to prepare a paper on some suitable topic.

James Smalley and wife, of Hillsboro, visit friends here Sunday.

Ora Garrett, of Hillsboro, has been here for several days visiting with H. L.

"Certain hard words, made into pills, Simply to swell the doctor's bill."

Are not what constitute Dr. Pierce's Pleasant Purgative Pills. They are tiny, sugar-coated, purely vegetable pills, as pleasant as confectionery to the taste, and acting upon the stomach and liver gently but effectually, and as naturally as Nature herself. For sick headache, indigestion, biliousness, constipation, and all the resulting diseases, no laxative equal to them has ever been discovered.

Save Your Teeth.

All works of taste must bear a price in proportion to the skill, taste, time, expense and risk that it takes to perform them. Those things called dear, are, when justly estimated, the cheapest. A competition for cheapness, and not for excellence of workmanship, is the most frequent and certain cause of the rapid decay and destruction of the teeth.

H. W. LE FEVRE, D. D. S.

Mr. W. M. Terry, who has been in the drug business at Elton, Ky., for the past twelve years says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough.
